More than 4,054 youth served through membership and community outreach  
2 club sites and 8 outreach sites

## Our Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

## Our Vision

To provide a world-class Club Experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

## Why We Care

- 1 in 5 kids won't graduate on time <sup>1</sup>
- Juvenile crime escalates between 3 to 7 p.m. <sup>2</sup>
- 3 out of 10 kids are obese or overweight <sup>3</sup>
- 1 out of 5 young people lives in poverty <sup>4</sup>

You have the opportunity to help create the foundation for GREAT FUTURES for our youth today. It just takes one, that one is you! Our door is open for any students that want to invest in their future, because you believed in the opportunity!
